Communications Vice President

I want to be your 2008-2009 Communication Vice President because USY has always been a top priority. The first things that come to mind when I think about USY are friendship, ruach, and fun. USY is an organization that has always been near and dear to me. When I was younger I always looked up to my brother, he was the one that got me so excited about USY and I couldn't wait to join! I have been an active member ever since I joined Kadima in 6th grade. I have made amazing friends here and we share many great memories. Now, as a sophomore at Chicagoland Jewish High School, I believe that my participation on a regional level will allow me to provide ideas and inspiration for the entire region. I look forward to next year and the opportunity to serve you as your Communications Vice President.
