

CHUSY REGION SERVICE PARTICIPATION FORM FOR THOSE INTERESTED IN LEARNING

We will have many opportunities to participate together in religious services throughout EVERY convention. It would be wonderful to include as many USYers as possible and we invite you to join us and assist us in this important area of our convention. I would like to see new faces up in front of CHUSY Region at conventions, and this is a wonderful opportunity to sign up and be those leaders. The way this is going to work is with the help of the Religion Education Regional General Board and me. Once we receive the forms, I will be in contact with you to arrange times and/or locations you would like to meet to start tutoring. Working over the phone is also another option and works very well.
